P6Hx23-6.900 PROCEDURE: INFORMATION TECHNOLOGY ACCEPTABLE USE

I. Intent

The Board of Trustees shall allow and restrict use of information technology as outlined in the following sections labeled Acceptable Use and Prohibited Use. In cases requiring authorization or approval as required herein, such approval will come from the cabinet member in charge of the area requesting such authorization or approval and the vice president for Information Technology, or their appointed designees.

II. Scope

The scope of this policy includes all students, employees, visitors, contractors, consultants, etc. using information technology resources at St. Petersburg College. Inappropriate use exposes St. Petersburg College to risks including virus attacks, compromise of network systems and services, and potential legal issues.

III. General

While St. Petersburg College's network administration desires to provide a reasonable level of privacy, users should be aware that the College reserves the right to restrict access and protect its systems from misuse or damage.

IV. Acceptable Use

A. Information technology use that supports and enables the effective and efficient completion of job description duties and assigned tasks is acceptable.

B. Information technology use by faculty (and students under the direction of faculty) that contributes to scholarly research and academic work within the boundaries of the approved curriculum is acceptable.

C. Occasional and infrequent personal use by employees that does not interfere with job duties, supersede work

responsibilities, or add additional costs to the College is acceptable. The cost to the employee per page for printing shall be the same as the cost per page for a photocopy as set forth in Board of Trustees' Rules 6Hx23-5.171 and 6Hx23-5.28.

- D. Occasional and infrequent personal use by students that does not interfere with teaching or add additional costs to the College is acceptable. The cost to the student per page for printing shall be the same as the cost per page for a photocopy as set forth in Board of Trustees' Rule 6Hx23-5.171.
 - E. All electronic records created, transmitted or received in connection with the transaction of College business are considered public records. Email correspondence, as well as other electronic documents, messages or records, must be preserved and maintained to the extent possible and in accordance with applicable state law, and these Board of Trustees' Rules and Procedures. Faculty and staff are required to utilize their College email account (including, where appropriate, their ANGEL/LMS account) when transmitting and receiving electronic correspondence in the course of conducting work related to the College. It should be noted, however, that the use of personal email accounts or other non-college accounts to communicate College related business is subject to disclosure pursuant to the Florida Public Record Act. (Chapter 119, Fla. Stats.)
- V. Prohibited Use
- A. Use of College information technology at any time, or use of personal non-College owned technology while connected to the College network, to break any international, federal, state or local law (or to aid in any crime) is prohibited.
 - B. Use of College information technology for creation, storage, display or transmission for a profit-oriented, commercial, political, or business purpose is prohibited.
